

Ultra-Tred ArmorCote No. 440

GOOD Performance

Ultra-Tred ArmorCote has the comfort and flexibility of a PVC sponge, yet is defined by its chemical resistant, double-thick urethane surface coating. This feature offers more abrasion resistance than comparable sponge products.

A tremendously versatile, yet affordable mat, Ultra-Tred is ideal for use in mostly dry applications such as labs and other medium traffic areas.

Color: Black with Yellow Borders (BYL)

Ultra-Tred ArmorCote Facts
