FLOCKED MATS

Flocked mats provide a crisp, clean image and are ideal for 1-3 (spot) color designs. Nylon flock is permanently embedded into the mat's surface creating strong visual effects with a slightly raised imprint. Flocked mats are ideal for moderate traffic areas.

Cut Pile Carpet

Give your floors that extra pizzazz with Olé Olefin mats. The absorbent olefin cut pile surface is bonded to a heavy-duty vinyl backing. Olefin yarn is stain, soil and mildew resistant.

Available in the following standard sizes:
18"x27" • 2'x3' • 3'x4' • 3'x5' • 4'x6'
Runners and custom size mats are available.

CAMELOT

Smooth Ribbed Floor Mat

The Camelot's smooth, ribbed polypropylene surface makes this an ideal mat for flocking or screen printing. It is long-wearing and provides an attractive addition to any setting. This mat is backed in a rugged, heavy duty vinyl and designed for indoor use in moderate traffic areas.

Camelot Mat Colors

Available in the following standard sizes:
18"x27" • 2'x3' • 3'x4' • 3'x5' • 4'x6'
Runners and custom size mats are available.

Polypropylene (Berber) Mat

The Diamondback is a densely needle punched, polypropylene carpet mat that combines durability with attractive appearance. It is the ideal mat for indoor or outdoor use. The Diamondback mat, with its distinctive pattern, provides an attractive addition to any decor.

Diamondback Mat Colors

Available in the following standard sizes:
 18"x27" • 2'x3' • 3'x4' • 3'x5' • 4'x6'
 Runners and custom size mats are available.

Natural Fiber Cocoa Mats

The traditional Cocoa Mat, with its superior brushing action and attractive appearance has been a standard for entrance matting for years. The surface of this mat is made from the natural fiber of coconut husks. It is backed in heavy duty vinyl and is perfect for use indoors or out.

Cocoa Mat Color

Available in the following standard sizes:
 19"x29" • 2'x3' • 2'x4' • 3'x5' • 3'x6'
 Custom size mats are available.

NYLON DYE MATS

Nylon dye mats combine elegance, durability and functionality. Composed of a plush nylon cut pile surface bonded to a nonskid backing, this mat holds up to heavy traffic conditions. The entire mat is dyed with special inks that provide outstanding images and 100% coverage. We offer an extensive palette of vibrant colors, so design options are endless.

- Images created with a patented dyeing process
- Extensive color range
- Ideal for heavy traffic areas
- Washable rubber backing

Perfect for:

- POP Advertising
- Co-op Programs
- Schools/Universities
- Automobile Dealers
- Brand Building
- Retail Stores
- Office Buildings
- Restaurants

...any place that wants to promote brand and name recognition while protecting floors.

DYE SUB MATS

Perfect for:

- Short-term Promotions
- POP Advertising
- Displays
- Giveaways
- Fundraisers
- Brand Building

Dye Sub mats offer exceptional print quality that brings images to life. Designs are printed on paper using special dyes that are then transferred onto the polyester mat's surface, leaving a brilliant colorful image.

- **Imprinted via dye sublimation heat transfer**
- **Spot or four color process available**
- **Polyester mat with urethane backing**
- **Cost effective for large volume orders**

Available in the following standard sizes:
18"x24" • 18"x27" • 2'x3' • 3'x4' • 3'x5' • 4'x6'
Custom size mats are available.

GENERAL INFORMATION

Artwork Submission

To ensure the best quality reproductions of your artwork we request one of the following formats:

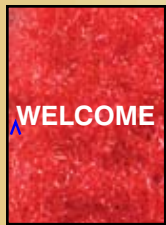

- Adobe Illustrator
- Macromedia Freehand
- Photoshop
- Files: EPS, TIFF, JPEG (300 dpi resolution)
- Black and White Camera Ready

Formats that cannot be used:

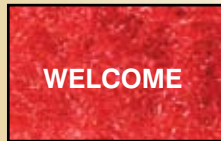

- Faxes
- Printed Mats
- Patches
- Photographs of Mats

Image Placement

Be sure to indicate horizontal or vertical placement of your image on the mat.

Vertical

Horizontal

FLOCKED MATS: Maximum standard imprint area is 40" x 40". It is best to keep the image at least 2" in from the edge of the mat. For example the maximum image area for a 24" x 36" mat is 20" x 32".

NYLON DYE and DYE SUB MATS: Image area may extend the full size of the mat.

mBOSSSED MATS: The maximum image area is 30" x 30".

Color

Slight variations in the mat or imprint colors shown in this catalog may exist during process. If color matching is critical, please request a color swatch.

Copyrights, Patents and Trademarks

All images in this catalog are for display purposes only. They do not represent an endorsement by these companies or products. These items may be purchased only through the company or representative of the company owning the rights to the logo or message. It is the responsibility of the party ordering a specific imprint or logo to receive proper authorization for use. Ordering party agrees not to hold PromoMatting liable for patents that may exist as a result of PromoMatting fulfilling an order.

Lead-Time

Normal lead-time for imprinted matting is 15 working days. Call for quote and availability of rush services.

Guarantee

All of our mats are guaranteed against manufacturer defects for one year from delivery.

Returns

If an item needs to be returned, a return authorization number must be obtained from our Customer Service Department.

Freight

FOB Acworth, Georgia
