

Emergency Shower Station Mat

No. 465

NEW!

Performance: **BEST**

Use under **Emergency Showers** or **eyewash stations** to draw attention to emergency equipment and to keep accident victims from slipping. This mat is a full 7/8" thick with a high traction design and drainage ports that keep employees safely above the overflow area as the hazardous chemicals are washed off. Following the **ANSI Z535.1-1998 standard** for color-coding, the **Red** is for use under Emergency Showers and the **Green** is for Eyewash areas. The highly visible yellow borders denote caution, are 6" wide and have a gradual slope for easy access.
